

Philadelphia Curling Club

Fall 2017 Curling Classes

Classes will be held on consecutive Sunday mornings:
15, 22 & 29 October and 5 November 2017
with two-hour instruction sessions each Sunday at 11 am
Registration fee: \$100 (applicable to first year dues if you join)

After the exciting Winter Olympics in February 2014 and the USCA Nationals held in nearby Aston, PA in March 2014, we received a record number of inquiries about our October 2014 series of curling classes. We had a great turnout, and over 25 new curlers joined our club after participating. Due to some capacity concerns, we did not hold a class in 2016, but we are once again ready to accept new members.

The classes will teach the basic techniques and rules of curling, including stone delivery and sweeping, and by the end of the class you will be prepared to play in games with other curlers, and to join our club if you are interested.

The classes will be held on four Sundays, starting on 15 October 2017. You will participate in one two-hour instruction session each Sunday starting at 11 am. If demand is greater than appropriate for a single session, we will hold a second session each Sunday at 9 am. Each session is limited to 16 people, with a maximum total of 32 participants across the two sessions. Once registered, you will participate in the same session each week.

We will try to honor the session time preferences that you request but cannot guarantee a specific time. If you can be flexible with your time slot, it will greatly help us to accommodate others who are restricted by their available hours.

Please fill out the registration form (PDF) completely, print it, and mail it to the address listed on the form, along with your check for \$100 per participant. **Registration is on a first-come, first-served basis, so act soon, and registration will close on 30 September 2017.** Once your payment is received, you will be assigned a place in the class if there is still availability. You will receive a confirmation email or phone call to notify you that you have a place in the class and the session time assigned. Participants must be 18 or older.

The registration fee of \$100 is applicable to your first year dues if you decide to join our club after the classes. There will be an informative presentation about our club at the end of the last class and an opportunity to become a member.

Please email our Class Coordinator Maggie McMahon with questions at **classes@philadelphiacurlingclub.org**.

We look forward to meeting you and to introducing you to the great sport of curling and our excellent club.
